Call For Abstracts

The Air & Waste Management Association (A&WMA) is pleased to announce a call for abstracts for the Visibility & Air Pollution Specialty Conference to be held in Whitefish, MT September 24-28, 2012

This international conference will provide a technical forum on advances in the scientific understanding of the effects of aerosol on Class I areas, urban, regional, continental and global scale haze and radiation balance.

Join nationally recognized professionals to discuss subjects including but not limited to:

- Aerosols and Class I area and Urban Visibility
- Regional Haze
- Climate Forcing
- Aerosol, Haze and Radiation Balance Monitoring Assessments
- Regional Haze Rule
- PM Visibility and SO₂/NO_x Secondary Standards
- Black Carbon

Abstracts of 300-400 words must be submitted by May 25, 2012 to visibility2012@awma.org. For more information visit <http://visibility.awma.org>

Two or more professional courses, designed to provide both a technical foundation and a timely refresher, will be offered on-site prior to the conference. There is also a photo contest planned, as well as a mid-conference field trip to the Glacier National Park Class I area.
